

## COMMUNITY DEVELOPMENT COMMUNITY DEVELOPMENT FUND

The Community Development Department is primarily responsible for administering grant funds received for Spartanburg County's housing, community, and economic development needs. The Department provides housing, neighborhood revitalization, citizen participation, economic development, and other special services (planning, project management, assistance to the homeless and other special needs populations, fair housing and handicapped accessibility) to the citizens of Spartanburg County. The specific geographic areas to be served in the FY 09 program year are the Arkwright, Startex and Mayo communities. The remaining activities will either be provided on a countywide basis or are project specific.
