FY 2010/11 Budget Highlights & Initiatives

- Operating expenditures are reduced through the move of Professional Fees expenses (Legal Fees) to Legal Services.
- Funding levels of the health clinic are increased to allow for one (1) nurse practitioner, (1) nurse, and (1) technician.

Objectives:

- Update of policy and procedure manual
- Utilize the employee health clinic to aid in education, wellness and general healthcare for employees
- Continue to service department needs

Function or Division	Description	Percent of Budget
Policy Interpretation/Guidance	Interpret federal and state employment law and provide guidance to department heads on employment law	40%
Benefits	Coordination of employee retirement and health benefits	30%
Customer Service	Respond to staff and public inquires regarding a wide range of topics including job vacancies	30%

OFFICE OF BUDGET MANAGEMENT

The Department of Budget Management prepares and manages the County's annual operating and capital budgets. The Department provides fiscal oversight of agency and department revenues and expenditures, assesses fiscal trends, and advises the County Administration regarding fiscal matters. The Department provides Risk Management services to the county, and manages the collection and enforcement of the Hospitality Tax.

DEPT NUMBER: 1-9111	OFFICE OF BUDGET MANAGEMENT

FY 2010/11 Budget Highlights & Initiatives

- There are no significant changes to the FY 2010/11 Adopted Operating Budget.

Goal:

Promote fiscal responsibility and long-term planning among departments, and manage the County risk exposure

Objectives:

- Continue to direct focus to long-term financial planning and best practice standards
- Evaluate the fiscal impact of programs and services
- Limit risk exposure to our employees, our residents and our property

Function or Division	Description	Percent of Budget
Budget Management	Develop, monitor and adjust annual budget; provides fiscal impact analysis, financial forecasting and trend analysis; administers the Hospitality Tax program; and adherence to adopted fiscal policies	50%
Capital Improvement Planning	Long-term planning and financing for infrastructure, technology, vehicle, equipment and other projects; Maintains the county's vehicle and capital equipment replacement schedule	25%
Risk Management	Implementing the County's risk management strategy; identifies and remediates areas of potential liability and exposure; tracks and analyzes performance; manages tort property and liability insurance policies; and conducts safety training and accident investigations	25%

FINANCE

The Finance Department monitors all county financial operations to ensure that all county monies are spent in accordance with the budget adopted by County Council. The department pays all county legal obligations and payroll, as well as administers grants, maintains all financial records, and prepares the County's comprehensive Annual Financial Report in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally auditing standards by a firm of licensed certified public accountants in compliance with state law S.C. 4-9-150.

FY 2010/11 Budget Highlights & Initiatives

- There are no significant changes to the FY 2010/11 Adopted Operating Budget.

Goal:

Continue to meet the Certificate of Achievement Program's requirements and to be eligible for other future certificates

Summary:

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Spartanburg County for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2008. This was the 16th consecutive year the County has achieved this prestigious award. In order to be awarded a Certificate of Achievement, Spartanburg County had to publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted account principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only.

FINANCE CONTINUED

Function or Division	Description and Goals	Percent of Budget
Accounts Payable	Process all county bills for payment and print annual Form 1099s <ul style="list-style-type: none"> • Pay all bills weekly and mail out 1099s by January 31 	33%
Payroll	Process time sheets, pay all employees; print annual W-2 forms and prepare all payroll tax returns. <ul style="list-style-type: none"> • Pay all employees bi-weekly, mail out W-2s by January 31, and file all tax returns on time 	16%

FY 2010/11 Budget Highlights & Initiatives

- There are no significant changes to the FY 2010/11 Adopted Operating Budget.

Goal:

To procure supplies, equipment, material and services in a timely, efficient and effective manner and in compliance with applicable laws, regulations and County policies

Objectives:

- Increase standardization of products and services procured throughout the county in order to reduce total cost
- To ensure we obtain and acquire the best price and value for each dollar spent
- Development of strong, professional working relationships with our vendors, our internal customers and in our local community

Function or Division	Description	Percent of Budget
Procurement	Develop, coordinate and evaluate procurement and contract administrative service for the county	100%

INFORMATION TECHNOLOGIES

The Information Technologies (IT) Department assists county departments to improve their business processes by proposing and deploying IT solutions. The staff provides daily support for the existing computer systems, maintains data integrity, plans the architecture and builds the infrastructure necessary for information to be efficiently and effectively shared between employees and with the citizens of Spartanburg County.

DEPT NUMBER: 1-9163	INFORMATION TECHNOLOGIES

AUTHORIZED PERSONNEL	9	9	11	11	11	0

FY 2010/11 Budget Highlights & Initiatives

- Personnel Services Expenditures increase from the prior fiscal year due to proficiency promotions and longevity adjustments experienced during FY 2009/10.
- Operating Expenditures increase \$77,535 primarily due to higher cost for maintenance agreements. The maintenance agreement for the Sheriff's Office mobile data software is captured in this department.
- Capital Outlay Expenditures have been eliminated for FY 2010/11.

Goal:

Provide essential technical resources to Departments and Offices to meet the current and planned business functions

Objectives:

- Maintain business continuity through creation of a secure and redundant infrastructure, preventing loss of data and information exchange
- Keep network, applications and operating system maintained for optimum efficiency, security and uptime
- Keep resources allocated for maximum efficiency and agility; train and retain exceptional IT personnel by providing opportunities for professional growth

Information Technologies Continued

Function or Division	Description	Percent of Budget
Data Communications (Network and Internet)	The physical infrastructure for sharing data both internally and externally; includes connections to 18 sites and internal wireless	16%
System Administration	Administration of County services and applications servers including email, helpdesk, anti-virus and network management and new technology research	4%
Application Development	Work with Departments to procure or create the appropriate solutions to work with their business functions. Provide project management, analysis, application selection or development, implementation and maintenance	51%
Client Support	Client support including hardware and software support, issue resolution, product research, training and relocation services	22%
Department Administration	Resource allocation and alignment to support the mission and vision of the County and in execution of business functions	7%

GEOGRAPHIC INFORMATION SYSTEMS (GIS)

The Geographic Information System (GIS) Department provides support to multiple departments in the creation, maintenance and display of information. GIS maintains digital parcels, road centerlines and other information to assist county staff in performing their jobs with accuracy and efficiency. GIS works directly with the public to assign addresses and provide products such as maps, digital information and website capabilities. GIS assigns structure addresses to plats and subdivisions as part of the land development process and to facilitate issuance of building permits. GIS maintains and updates addresses/streets and acts as the interface with INTRADO to keep the Spartanburg County 911 database current and accurate.

FY 2010/11 Budget Highlights & Initiatives

- Personnel Services Expenditures decrease from the prior fiscal year. Two positions, the GIS Director and one Senior GIS Analyst position, are now split between General Fund and the 9-1-1 Phone System Fund (19). These positions directly support the 9-1-1 phone system.

Goal:

To facilitate the functional flow of public information between departments and the public

Objectives:

- Provide accurate information to the public through applied technology
- Reduce obstacles to workflow at departmental interfaces
- Reduce duplications of effort

Function or Division	Description	Percent of Budget
E 911	E911 databases and Intrado updates	35%
Addressing Related	Serving public, planning/development, boundary updates	30%
Parcel Maintenance	Maintaining parcel maps	25%
System	Installing and maintaining computers and software	10%

FACILITIES MAINTENANCE

The Facilities Maintenance Department was created in FY 2006/07 to maintain, repair and manage the Spartanburg County Government Detention, Administration, Evans, Courthouse, Sheriff and Library Street buildings. The management includes implementation and execution of major renovations and major Capital Projects to improve the buildings. Facilities Maintenance also provides maintenance services to numerous Spartanburg County Government Department buildings and Spartanburg County Government rented buildings.

FY 2010/11 Budget Highlights & Initiatives

- Personnel Services Expenditures decrease due to the transfer of the Courier position out of this department during FY 2009/10.
- Utility costs are significantly decreased due to the Facilities Energy Efficiencies Upgrade project. These savings are reflected in the Operating Expenditures category.
- Expenses related to janitorial services are reduced from prior fiscal years due to a reduction in service level. Savings are in excess of \$70,000 annually.
- Contract Services are increased to add contingency funds for large, unexpected failures.

Goal:

To reduce the cost of facilities repairs through a reduction in subcontracted work

Objectives:

- Implement a master trade program with incentives to continue the development of licensed HVAC, Plumbing, and Electrical tradesmen in house
- Send selected staff for specialized factory training on HVAC units, water treatment, and chillers
- Expand internal expertise to encompass facility renovations and a variety of related trades

Function or Division	Description	Percent of Budget
Facilities Maintenance	Maintain, repair and manage Spartanburg County Government Facilities	100%

LEGAL SERVICES

The Legal Services Department provides civil representation for all County departments and officials; legal review and drafting of documents; real estate title examination of all property purchased or leased by the County or any of its agencies or departments; condemnation actions; defense of civil actions against the County and give legal advice to County Council and county officials. This department will also learn of defects in County Ordinances and regulations which only appear during their enforcement. Input from constituents of County Council is an important source of this discovery, and this office will be alert to learn of, and attempt to remedy such defects.

FY 2010/11 Budget Highlights & Initiatives

- The Fees Professional line item in Operating Expenditures increases \$142,000 in the FY 2010/11 Adopted Operating Budget. This increase is a result of Professional Fees from Human Resources and Detention being moved to the Legal Services department. These fees are for legal services to outside vendors.

FLEET SERVICES

Fleet Services maintains County Cars, trucks and equipment and provides several fuel dispensing stations throughout the county. Fleet Services maintains the County's parts inventory and all vehicle history records.

FY 2010/11 Budget Highlights & Initiatives

- Personnel Services Expenditures decrease from the prior fiscal year due to anticipated savings from health insurance and due to the filling of a vacant position at a lower rate during FY 2009/10.
- Operating Expenditures decrease due to lower expenses for heating and shop supplies.

Goal:

To be a valued asset to each County department

Objectives:

- Downsize County vehicles in an effort to lower fuel consumption
- Focus fully and solely on maintaining County vehicles and equipment
- Improve monitoring of County vehicle accidents in an effort to reduce costs

Function or Division	Description	Percent of Budget
Vehicle Repairs	Schedule and perform maintenance to County assets.	70%
Fuel Sites	Fuel Site repairs and services (provision of fuel)	5%
Wrecker/Impound Lot	Tow County and seized vehicles. Maintain Fleet Services Impound lot and release of impounds.	15%
Accident Paperwork	Photo accident damage; file claims; retain statements; and complete damage repair	10%

NON-DEPARTMENTAL

The Non-Departmental Department provides funding for items that are not allocated to specific departments within the General Fund. It also serves as a placeholder during the budget development process to identify compensation, insurance costs and other initiatives until such time as the budget is adopted and the costs allocated to the appropriate departments. Items included in the Non-Departmental budget include liability building and vehicle insurance costs; retiree health care costs; fuel, parts and labor charges for fleet services; and, Special Projects such as aircraft tax paid to the City of Spartanburg for airport improvements and lease payments.

FY 2010/11 Budget Highlights & Initiatives

- The FY 2010/11 Adopted Operating Budget for Non-Departmental funding includes:
 - Savings for frozen positions across all departments in general fund
 - Increased expenditures for unemployment claims
 - General Fund departmental costs for vehicle manpower/overhead; vehicle-parts; vehicle-fuel, oil; car washes and motor pool charges. Overall expenditures are increased with the return of the Sheriff's Department to Fleet Services, however there is an offsetting savings in the Sheriff's Office – outside vehicle repairs
 - The annual payment to the City of Spartanburg for Aircraft Tax collections (County Portion)
