

County Network Infrastructure

Requesting Department/Division: Information Technologies
 Project Manager/Contact: Kim Danner

Estimated Start Date: July 2007
 Est. Completion Date: On-Going

Project Category: Technology

Project Status: Active Project
 Project Number: IT0005

Project Description, Justification and Location

Provide funding for network components associated with maintaining the county's level of information sharing and data capacity while keeping it current. This is accomplished by establishing scheduled replacement of network components that will keep the County's information network viable.

Benefits to Residents, Visitors, Businesses, or County Employees

Uninterrupted and seamless communication inside and outside the County offices will make functions and services of the County more efficient and effective.

Impact on Annual Operating Budget

No impact on annual operating budget.

Project Status (as of April 1, 2009)

This is an on-going project. As of April 1, 2009, all scheduled network infrastructure projects are complete. An additional \$128,213 in funding is included in the FY 2009/10 Capital Year Budget.
