Total Expenditures	\$15,627,481

Said appropriation, and corresponding revenue sources shall be allocated to various projects in accordance with the schedules attached hereto (Exhibits “A” and “B”) and incorporated as part of this ordinance.

SECTION 2. A bound copy of the Capital Improvement Plan supporting the appropriations set forth in this ordinance shall be attested to by the Clerk to County Council and maintained in the offices of the County Administrator, the Director of Budget Management, and the Clerk to County Council. Said Capital Improvement Plan is incorporated herein by reference.

SECTION 3. The County Administrator shall have the authority to transfer appropriated funds within the designated expenditure categories as long as the projects fall under the same functional category. Significant changes to the scope of the project will require County Council approval through a resolution.

SECTION 4. Funds allocated but unspent during the fiscal year in capital accounts designated in the County Administrator’s Recommended Budget shall be recognized as part of a multi-year capital projects funding and either be carried forward and transferred to the Capital Project Fund for future utilization or utilized to advance unfunded capital projects per Section 5 of this ordinance.

SECTION 5. The Capital Improvement Plan shall set forth all funded capital projects and a full prioritization of all unfunded capital projects. This prioritization shall be considered the funding priority of County Council for such projects. The County Administrator shall have the authority to utilize appropriated, but unspent funds during the fiscal year to advance unfunded capital projects within the same project category for which the funds were appropriated, according to the prioritization within such project category. Advancements of capital projects will be reported to County Council as part of the Capital Projects Quarterly Status Report.

SECTION 6. Any new, previously unplanned funds received during fiscal year 2010/11 for the purpose of capital projects shall be accepted on behalf of the County by the Administrator. Said funds shall be appropriated to the Capital Improvement Plan pursuant to the amendment of this ordinance by County Council.

Part II
Enacting Provisions

SECTION 1. If any section or item or any part of this Budget Ordinance shall be declared invalid, it shall not be construed to affect the validity of any other section or item hereof.

SECTION 2. All provisions of Part I of this Ordinance shall take effect on the 1st day of July, 2010.

SECTION 3. The Spartanburg County Capital Improvement Plan shall be reviewed and revised by the County Council annually based on established priorities and subject to availability of funding. The County Administrator shall be charged with the responsibility of administering the Plan, including property acquisitions, sales or divestures and leases, necessary to achieve the ultimate Plan goals as established by County Council.
