# Multi-Modal Transportation Infrastructure

**Requesting Department/Division:** Public Works/Administration  
**Project Manager/Contact:** Mike Garrett

**Estimated Start Date:** July 2008  
**Est. Completion Date:** On-Going

**Project Category:** New Construction

**Project Status:** Active Project  
**Project Number:** SD0002

## Project Description, Justification and Location

This project will provide funding for infrastructure associated with alternative transportation needs (walking, biking, transit, etc.) Opportunities will be identified by the County and strategic partnerships with community and neighborhood associations will be formed. These partnerships will allow the County to provide neighborhood connectivity, as well as connectivity to schools shopping and other needs. Funding of the project is not recommended until FY 2012/13 due to availability of funding sources.

## Benefits to Residents, Visitors, Businesses, or County Employees

Benefits of this project could include improved road safety, decreased traffic congestion, improved air quality, and improved community health. Project will offer citizens more outlets to engage in activities and to transition to an active, healthy lifestyle.

## Impact on Annual Operating Budget

Annual operating budget impact will be minimal.

## Project Status (as of February 1, 2010)

Active project. First phase of project, including the build out of Wadsworth Trail, a walking and biking trail in the unincorporated area of Spartanburg County west of the City of Spartanburg, has been completed. Matching funds from private sources were utilized to fully fund the project.
